**Dear Krishna**

This letter confirms that Krishna Thakker worked at Thecyberworld as a Penetration Tester Intern from June 5, 2023 to Nov 30, 2023.

Throughout their tenure, they performed web penetration testing, identifying and reporting vulnerabilities for remediation. Their expertise in exploit development, utilizing GitHub tools, demonstrated a strong understanding of the field. They effectively communicated technical vulnerability details and remediation steps to the team and management. Additionally, their content creation skills enabled them to effectively convey complex cybersecurity concepts.

Krishna Thakker made valuable contributions to the team, improving security and supporting effective communication.

**Regards,**

**Kabir**  
CEO, Thecyberworld
